

The Chelsea Connections program

For friends and family

Your support is worth everything in the world,
so we'd love to show our appreciation!

Save Thousands

for every new resident who you refer to The Chelsea

Here's How It Works

1. Refer a senior and/or their family to The Chelsea Independent Living, Assisted Living, or Memory Care community.
2. The senior must financially commit and/or move in to their Chelsea apartment for a minimum of 60 days.
3. Once the minimum requirement has been met, compensation will be provided.*
